To parents of all Year 6 pupils

Dear Parent/carer,

Your child will be transferring to Secondary School at the end of this School Year. This can be an exciting but anxious time for both you and your child, and the decisions that have to be made are crucial and can be difficult. The completion of the secondary school application form and how you list your choices is very important.

We have attached the Secondary School Information Booklet from the Local Authority. All necessary information can be found in the booklet, it explains the process and gives you a date at the end of October when you will need to complete your application online. Here is a link a link for the online portal – www.eadmissions.org.uk

Pupils living in other local authorities need to contact their local authority and apply there. Applications must be made to the local authority and some faith schools require you to complete additional forms.

This year due to the Covid-19 pandemic it will be very difficult to visit secondary schools. Each school has set dates for virtual meetings and it is best to look on their websites for the most up to date information.

Yours sincerely,

J. Johnstone
